Terms and service procedure

Machine scope

The 12-month machine term covers manufacturing defects in chassis, suspension, track drive (excluding engine), electrical (non-engine), bodywork and factory-fitted sled equipment. Do not apply the machine term to the Rotax engine.

Separate engine warranty

The Rotax 900 ACE engine is not covered by this machine warranty. Its separate manufacturer schedule S67-03 identifies the engine and states its own 36-month term. Machine and engine must not be represented as one manufacturer policy.

Use and owner responsibilities

These specimen terms are for private recreational use. Routine maintenance, impact, racing, corrosion from improper care and ordinary cosmetic wear are excluded. The dealer completed warranty registration on 2026-11-08; the owner has no outstanding enrollment deadline. Listed terms transfer for their remaining duration.

Service procedure

Keep the purchase agreement, VIN plate photo and these terms. Contact warranty@northwoods-ps.example or (202) 555-0170 before repairs. These are fictional fixed-duration test terms, not a statement of the current Ski-Doo warranty.
