Terms and service procedure

Remaining coverage

This transferable limited manufacturer warranty covers factory defects in materials or workmanship in the motorcycle, parts and labor. The original end date remains 2027-11-07, leaving 12 months at the private purchase date, not a fresh 24 months.

Mileage and dates

The mileage provision is unlimited miles. Do not treat the 4,200-mile reading as a limit. Original first-service date 2025-11-07 is the warranty start; private-sale date 2026-11-07 is only the ownership transfer.

Transfer and responsibilities

The remaining coverage transfers to this buyer and has been recorded in this test confirmation. No registration deadline or additional activation requirement remains. Keep maintenance records. Ordinary wear, routine service, collision damage and misuse are excluded.
