COMMERCIAL
HEAT PUMP WATER HEATER
LIMITED WARRANTY

The manufacturer, the warrantor, extends the following LIMITED WARRANTY to the original owner of this commercial heat pump water heater subject to the terms, conditions and disclaimers stated below:

EFFECTIVE

For ONE (1) Year, the manufacturer warrants the commercial heat pump water heater against failure due to defects in materials or workmanship. All Parts are warranted for ONE (1) year from the date of manufacture. This limited warranty is in effect when the product is installed within the United States or Canada, provided it remains at its original place of installation.

If the FIVE (5) year Extended Compressor Warranty is purchased, and within such time the compressor shall prove, upon examination by the manufacturer to be defective, the manufacturer will provide a replacement compressor. Note: See 5-Year Limited Compressor Warranty for full details.

Warranty coverage begins on the date of installation OR 60 days after the date of manufacture if installation cannot be verified. Note: The date of manufacture can be determined using the Serial Number, located on the silver rating label. Appliance must bear the original rating label which has not been altered, defaced, or removed, except as required by the manufacturer.

WHAT IS COVERED

In the event of a defect in materials or workmanship appearing during the limited warranty period, the manufacturer will, at our discretion, replace any defective part or compressor covered under this limited warranty. Any replacement part or compressor will be warranted only for the unexpired portion of the original limited warranty period. This warranty also extends to any factory supplied accessories.

Unless authorized by the manufacturer , any compressor must be returned to the factory for warranty determination, at the owner's expense.

If an identical model is no longer available due to a change in law, regulation, or standard, the manufacturer will replace the product with one having at least the same capacity and input. In these instances, you will have the option of paying the difference between what was paid for the original model and the new model with the additional features; or receiving a refund of the portion of the purchase price allocable, on a pro-rata basis, to the unexpired portion of the limited warranty period.
